You shall pay an additional interest fee of 1.5% per month (19.56% per year) for invoices not paid within such thirty (30) day period.

Failure to comply with the foregoing responsibilities for any incident will result in the deduction of one resolution even if the issue is not resolved.

You may terminate this Agreement during, but not after, the time period set forth in Dell’s then-current Total Satisfaction Return Policy, in which case you will be entitled to receive a pro-rated refund of any unearned support fees that you have paid. Under this paragraph, any refund will be determined by Dell based on the passage of time and/or the number of support incidents, at Dell’s discretion.

   b. Claims of Confidentiality or Proprietary Rights: You agree that any information or data disclosed or sent to Dell, over the telephone, electronically or otherwise, is not confidential or proprietary to you.

   c. Assignment: Dell reserves the right to assign its right and obligations under this Agreement to a qualified third party designated by Dell without notice to you. In the event of such an assignment, Dell will no longer be responsible for any performance obligations under this Agreement or any other liability associated with this Agreement.

   f. Miscellaneous: If any provision of this Agreement is void or unenforceable, the parties agree to delete it and agree that the remainder of the Agreement will continue to be in effect. Dell is not liable for failure or delay in performance due to any cause beyond its control. If Dell’s ability to render Support is impaired by circumstances beyond Dell’s control, Dell may terminate this Agreement, in which event, provided that circumstances resulting in Dell’s impaired ability to provide Support did not result from your actions or inaction, you will receive a refund for any unused portion of your service term for which you have paid. Neither Dell nor you may institute any action in any form arising out of this Agreement more than eighteen (18) months after the cause of action has arisen, or in the case of nonpayment, more than eighteen (18) months from the date of last payment.

5. Transfer of this Agreement. Subject to the limitations set forth in this Agreement, you may transfer this Agreement to anyone who buys your entire System before the termination date of this Agreement, provided you are the original end-user purchaser of the System and this Agreement, or you have purchased the System and this Agreement from its original end-user owner (or a previous transferee) and have complied with all the transfer rules in this Agreement.
Please note that if you move your System to a geographic location in which the Support service coverage is not available at the same price as you paid for this Agreement, you may incur an additional charge to maintain the same categories of Support service coverage at the new location. If you choose not to pay such additional charge, your Support service may be automatically changed to categories of Support service that are available at such price or a lesser price in such new location with no refund available. Additionally, if (i) you transfer your Agreement to a buyer who will move the System to a geographic location in which the Support service coverage is not available at the same price as you paid for this Agreement, or (ii) if the transferee (i.e. the buyer) of this Agreement wishes to change the Support service coverage, then you may incur an additional charge for such transfer fee discussed above.
