Connect and collaborate wirelessly within your network and the cloud with the B2375dfw printer. This versatile device features a range of document management solutions to digitise, store, sort and share your files with ease.

Access personalised printer settings on the 4.3-inch color touch screen control panel — the easiest to use in its class. Scan and copy two sided documents easily with the Duplex Automatic Document Feeder (DADF) and reduce paper consumption with two-sided printing.

Get outstanding value and reliable performance with the Dell Mono Multifunction Printer - B2375dfw.

Print, scan and share with cloud connectivity

- Scan and share directly to multiple destinations, including PCs, USB drives, email, network folders, FTP, Web Services for Device (WSD) and cloud services including Microsoft® SharePoint® Online and Google Drive™.
- Scan and convert hard copies to Google Docs format from Google Drive.
- Streamline workflows by storing and accessing frequently-used forms and templates directly from the printer (up to 3 GB built-in inaccessible storage).
- Manage documents easily with included Nuance™ PaperPort 14, which converts scanned documents into high-quality, searchable PDF files for easy storage, sorting and sharing.

Wireless versatility and security

- Set up and connect easily to your wireless network with Dell Printer Easy WiFi Installer — in as fast as four clicks.
- Print directly from a variety of mobile devices with:
  - Dell Mobile Print app (for Android™ mobile devices)
  - AirPrint (for iOS mobile devices)
  - Google Cloud Print™
- Gain the assurance of document and printer security with multi-level security features such as Secure Print, Secure PDF and user walk-up LDAP authentication.

Intuitive functionality for ease of use

- Personalise user settings on 4.3-inch color touch screen, the easiest to use control panel in its class, and preview scanned documents directly on the touch screen before sharing and printing.
- Print at fast speeds of up to 38 pages per minute (A4).
- Handle large printing needs reliably with a high monthly duty cycle of up to 100,000 pages.
- Scan and copy two-sided documents effortlessly with the 50-page Duplex Automatic Document Feeder (DADF).
- Reduce paper consumption with two-sided printing.

Features:

1. 50-sheet Dual Automatic Duplex Feeder (DADF)
2. 4.3-inch colour touch screen control panel
3. Front USB port
4. 250-sheet output
5. 50-sheet multipurpose tray
6. 250-sheet input tray

1. The printer and the mobile device must be connected to the same network.
2. AirPrint-enabled printers work with iPad, iPhone (3GS or later), and iPod touch (3rd generation or later) running iOS 4.2 or later.
4. Measured in accordance with ISO IEC 27644 methodology. Actual print speeds will vary with use.
5. Duty cycle is defined as the maximum number of copies a device could deliver in a month. This metric provides a comparison of robustness in relation to other Dell printers and multifunction printers.
6. For details on energy efficiency of ENERGY STAR® qualified products, refer to: www.energystar.gov.
7. Meets the requirements of the EU RoHS Directive 2011/65/EU on the Restriction of the use of certain Hazardous Substances (RoHS).
