

Server Virtualization in the Scalable Enterprise

By Jimmy D. Pike and Drew Engstrom

Reading material

Dell provides several publications that address virtualization and related technologies, including the following articles from *Dell Power Solutions*:

- Abels, Tim, Puneet Dhawan, and Balasubramanian Chandrasekaran. "An Overview of Xen Virtualization." *Dell Power Solutions*, August 2005. www.dell.com/downloads/global/power/ps3q05-20050191-Abels.pdf
- Benson, Lara, and Simone Shumate. "Dell and VMware: Partnering to Deliver VMware Virtualization Software on Dell PowerEdge Servers." *Dell Power Solutions*, October 2004. www.dell.com/downloads/global/power/ps4q04-20040118-Benson.pdf
- Chandrasekaran, Balasubramanian, Tim Abels, Robert Wilson, and Paul Rad. "Deploying Dell OpenManage on VMware ESX Server." *Dell Power Solutions*, March 2004. www.dell.com/downloads/global/power/1q04-rad.pdf
- Chandrasekaran, Balasubramanian, Kyon Holman, Cuong T. Nguyen, and Scott Stanford. "Enabling VMware ESX Server VLAN Network Configurations for the Dell PowerEdge 1855 Blade Server." *Dell Power Solutions*, February 2006. www.dell.com/downloads/global/power/ps1q06-20050219-Chandrasekaran.pdf
- Chandrasekaran, Balasubramanian, and Simone Shumate. "VMware Virtualization Software on Dell Blade Servers." *Dell Power Solutions*, February 2005. www.dell.com/downloads/global/power/ps1q05-20040222-Shumate.pdf
- Dumitru, Aurelian, and J. Craig Lowery, Ph.D. "Using Virtual Machines to Simulate Complex IT Environments." *Dell Power Solutions*, June 2004. www.dell.com/downloads/global/power/ps2q04-005.pdf
- Henderson, Bill, and Tracy D. Edwards. "Using Intel Multi-Port Server Adapters to Enable Virtual Infrastructure in the Data Center." *Dell Power Solutions*, May 2005. www.dell.com/downloads/global/power/ps2q05-20050131-Intel.pdf
- Jaffe, Dave, Ph.D.; and Todd Muirhead. "Implementing Fault Tolerance Through VMware Scripting and Dell OpenManage." *Dell Power Solutions*, May 2005. www.dell.com/downloads/global/power/ps2q05-20040272-Jaffe.pdf
- Jaffe, Dave, Ph.D.; Todd Muirhead; and Felipe Payet. "Introducing VMware ESX Server, VirtualCenter, and VMotion on Dell PowerEdge Servers." *Dell Power Solutions*, March 2004. www.dell.com/downloads/global/power/1q04-jav.pdf
- Lowery, J. Craig, Ph.D. "Virtualization as an Enterprise Computing Infrastructure." *Dell Power Solutions*, June 2004. www.dell.com/downloads/global/power/ps2q04-003.pdf
- Muirhead, Todd; Dave Jaffe, Ph.D.; and Felipe Payet. "Evaluating Price/Performance of VMware ESX Server on Dell PowerEdge Servers." *Dell Power Solutions*, June 2004. www.dell.com/downloads/global/power/ps2q04-006.pdf
- Muirhead, Todd; Dave Jaffe, Ph.D.; and Scott Stanford. "VMware ESX Server Performance on Dell PowerEdge 2850 and PowerEdge 6850 Servers." *Dell Power Solutions*, February 2006. www.dell.com/downloads/global/power/ps1q06-20050312-Muirhead.pdf
- Shumate, Simone. "Implications of Virtualization for Image Deployment." *Dell Power Solutions*, October 2004. www.dell.com/downloads/global/power/ps4q04-20040152-Shumate.pdf
- Stanford, Scott, Simone Shumate, and Balasubramanian Chandrasekaran. "Architectural Considerations for Creating High-Availability VMware VirtualCenter Infrastructures." *Dell Power Solutions*, November 2005. www.dell.com/downloads/global/power/ps4q05-20050285-Stanford.pdf
