Designed to meet the needs of today’s demanding business environment

Stay efficient when working on small or large print jobs with an outstanding First Page Out Time (FPOT) as fast as 4.4 seconds¹ and exceptional speeds up to 63 pages per minute¹ (ppm).

Get uninterrupted performance with robust, state of the art paper handling mechanism for virtually jam-free printing.

Configure the printer to suit your organization’s needs by adding paper handling accessories, such as paper trays, staple finisher and output stacker – so you can get more done with less effort.

Access up-to-date documents and forms in Microsoft SharePoint On-Premise folders directly from the printer for efficient printing and sharing.²

Printing made simple

Print directly from a USB device using the convenient front USB port without a PC.

Handle a variety of media types and sizes, such as envelopes and odd sizes, without the need to purchase additional accessories.

Eco-conscious design

Save paper with automatic 2-sided printing and printing on recycled, renewable content and chlorine-free paper.

The S5830dn meets the latest regulatory and environmental standards, including ENERGY STAR® qualification⁴, Restriction of Hazardous Substances (RoHS) compliance⁵ and EPEAT Silver registration in the US⁶.

Comprehensive services

Contact technical support for any printing issues via phone or online during your standard 1-year Limited Hardware Warranty⁷, and enjoy 1-year Next Business Day On-Site Service⁸ after Remote Diagnosis⁹.

Stay covered longer when you choose optional 2- to 5-years of additional Limited Hardware Warranty⁷. Dedicated support 24/7 is available with optional Dell ProSupport™ service options, including specialized technical support and expert on-site diagnosis.

For added assurance and peace of mind, the Limited Hardware Warranty includes a fuser and maintenance kit in the standard and extended Limited Hardware Warranty period.
