High speed, professional-quality colour printing for Medium-volume workgroups at a low total cost of printing

The Dell™ Colour Laser Printer 3110cn offers powerful black and white and colour printing performance for your networked environment. With print speeds of up to 30ppm in black and up to 17ppm in colour (actual speeds will vary with usage), the 3110cn includes networking as standard. The 3110cn is easily expandable with optional duplex to print on both sides of the page, additional 550 sheet paper drawer (maximum 950 sheets A4) and upgradeable memory (up to 1,152MB including 128MB standard memory).

Dell can also help lower your total cost of printing. High capacity toner cartridges are available as options. In addition, the 3110cn comes standard with Dell’s ColourTrack™ 2, a tool that allows IT staff to designate colour access, set print volume limitations and track usage on an individual or workgroup basis. Dell’s Toner Management System™ actively alerts you when toner levels are running low or due for replacement. The 3110cn comes standard with one year Next Business Day Onsite Service.

The Dell Colour Laser Printer 3110cn delivers:

Outstanding Performance
• Fast printing - up to 30ppm in black and up to 17ppm in colour – actual print speeds will vary with usage
• Crisp text and enhanced graphics
• Expandable memory to allow fast printing of high-quality complex documents – up to 1,152 MB
• Dependable – up to 60,000 pages per month max. duty cycle
• Robust paper handling features, including optional double-sided printing (duplex) and an optional 550-sheet paper drawer.

Easy to Use
• You can achieve lower cost per page with the optional 3110cn High Capacity Toner Cartridges (up to 8,000 page yield in black, up to 8,000 page yield in colour) while reducing the frequency of toner replacement
• Dell Toner Management System™ tells you when the toner levels are low or due for replacement
• Easy toner installation using drop-in cartridge design
• LCD text operator panel clearly displays toner level and other consumables indicators
• Standard 150-sheet multipurpose tray and 250-sheet tray; can reach up to 950 sheets total via addition of optional 550-sheet paper drawer, minimising frequency of paper replenishment
