A This Agreement commences on the date you place your order and continues through the Term of Service. The “Term of Service” begins on the purchase date and extends for the term indicated on the Order Form. Experience shows that most system problems and errors can be corrected over the phone as a result of close cooperation between the user and the analyst or technician.

C On-site obligations. Where Services require on-site performance, Customer must provide free, safe and sufficient access to Customer’s facilities and the Supported Product(s). Sufficient access includes ample working space, electricity, and a local telephone line.
